

# WHAT'S THE SKELETON IN YOUR CLOSET?

OCTOBER  
**18-29**

## PARADE OF **LOST SOULS** FESTIVAL

Join your community in celebrating those who came before us as we transform an East side neighbourhood into a portal to the past. With a series of workshops designed to get you moving, creating, crafting and remembering, we'll travel back in time to explore our secrets. Who in your family tree had something to hide? Or, perhaps it's you who holds the secret...
