

In the 22 blocks of the Drive from

Venables to East 13th — nearly a mile and a half long — you'll find the most eclectic mix of businesses in the city. Of the 329 shops and restaurants on the Drive, the majority are single-location and owner-operated, making our shopping, dining, produce, and entertainment a totally unique experience that you'll only find on Commercial Drive. One afternoon on the Drive, and you'll know why it was voted one of North America's 10 Hippest Neighbourhoods and why it's referred to as Vancouver's Expressive Edge. Come and experience our Urban Village — **Same city, different world!**
